Our Mission Statement

Our mission is to provide a quality Preschool in a Christian environment with qualified, sensitive, loving individuals dedicated to developing a child's mental, physical, emotional, social, educational and spiritual growth.

We welcome you in Christian love to come and visit our preschool classrooms and see our wonderful biblically-based program first hand! Our director will be happy to set up an appointment for you and your family to observe our preschool in action and to answer any questions you may have. Just as Jesus welcomed the children who were brought to him for prayer, we will welcome your children into our program to experience God's love and grow together in their early years, in His wisdom and grace. Our belief is that the childhood years are crucial ones for learning trust, self-esteem and developing faith.

Our Parent Testimonials

“My experience at CUMC Preschool has gone above and beyond expectation.

Great teachers. Very affordable tuition. And the best part is my children have learned skills that have prepared them for kindergarten and beyond. I have had children there for 5 years and would recommend CUMC Preschool to anyone looking for high quality preschool education.” *Jennifer N.*

“Wonderful teachers; caring, understanding, compassionate. And most of all, a Christian based program. They have all helped my son (age 2) and daughter (age 4) develop interpersonal skills with others. And they love it here!” *Heather D.*

“My four year old wakes up so excited and ready to go to preschool! He loves telling me about all of the fun activities they do everyday and about everything he has learned that’s preparing him for kindergarten. The teachers are so welcoming and happy to see him every morning!” *Emily B.*
